(c) Delegation of Use. Any Member may delegate, in accordance with the By-Laws, his right of enjoyment to the Common Areas to the members of his family who reside with him on his Lot, to his tenants or contract purchasers who reside on his Lot.

E-6 OTHER DEVELOPMENT: RECIPROCAL EASEMENTS. Declarant owns or intends to acquire additional area adjoining or in the immediate vicinity of the Project. It is intended that all the Project and such additional Project(s) will be operated, once developed and improved, as a single, common operation insofar as the maintenance and care of Common Areas are concerned; and as of the close of the first sale of a Lot in such additional Project(s), Owners of the Lots (including Declarant) located in said additional Project(s) shall share the cost of all Common Areas located in any other such Project theretofore or thereafter included by Declarant, his heirs, successors or assigns, in said single common operation scheme. All Owners of Lots located in any such Project theretofore or thereafter included in said single, common operation scheme, shall automatically have reciprocal, nonexclusive rights and privileges of using said Common Areas by said maintenance scheme.

(a) Common Operation. Pursuant to the intention expressed above, Declarant may designate such additional Project(s) by recordation in the County Clerk's Records, El Paso County, Texas

of a document evidencing his intent to include said Project(s) as a single, common operation, such that cost and expenses of maintenance, management, operations, repair and replacements will be allocated to each of said Project(s), including this one, on a basis that the Owner's percentage of ownership of the lots in each of the said Project(s) bears to the owner's percentage of ownership of the whole of all of said Lots, rather than having the Owner or Owners of each Lot pay only with reference to the Common Areas located within his or their respective Project.

Notwithstanding anything to the contrary contained herein, Declarant reserves the right and privilege to determine and designate which of said additional Project(s) shall be included, once developed and improved, in the unit operation for the purpose of this Paragraph. In the event that Declarant should fail to designate any of said additional Project(s) to be so included on or before December 31, 1989, then the right and privilege so reserved by Declarant shall cease and terminate; provided however, that if during said period prior to December 31, 1989, Declarant shall so designate any additional Project to be included, then Declarant shall have until December 31, 1991, to further designate additional Project(s) not previously so designated to be so included. This right and privilege reserved in Declarant shall cease and terminate in its entirety on the latter date.

(b) Inclusion of Project(s). In the event Declarant, within the above time limitation, in his sole discretion, shall determine that any one or more additional Project(s) shall be included in the single, common operation contemplated by Paragraph H-6 hereof, Declarant shall, at the time of such determination and from time to time as additional such determinations are made, record a notice of intention to operate as a single, common operation in the County Clerk's Office, El Paso County, Texas designating the one or more of said Project(s) being included, and shall send a copy of said recorded notice to the Association. Thereafter, such included Project(s) will be operated as a single, common operation along with this Project.

For any such additional Project(s) to be so included, Declarant shall, as soon as reasonably practical after it shall determine to include one or more of said Project(s), file in the County Clerk's Office, El Paso County, Texas with respect to each of said Project(s) included, a supplementary Declaration of Covenants, Conditions and Restrictions which contains provisions in all material respects substantially similar to those contained herein.

(c) Reciprocal Easements. By virtue of Declarant's inclusion of an additional Project(s) in the single, common operations scheme set forth herein, the Owner of a Lot located in this Project shall have a non-exclusive easement for the benefit of and appurtenant to his Lot to use the Common Areas on such other Project(s) which, within the time limitation specified herein, are subsequently included in the common operation scheme, and the Owner of a Lot located in such other Project(s) which, within the time limitations specified herein, are subsequently included in the common operation scheme shall have a reciprocal non-exclusive easement for the benefit of, and appurtenant to his Lot to use the Common Area of this Project. Said reciprocal, non-exclusive easements of use shall include reciprocal non-exclusive rights of ingress and egress to and from the Common Areas and shall be subject to the same

limitations, rules, regulations and admission or other fees imposed upon Owners of Lots located on the Project(s) in which the Common Areas are located. Any Owner of a Lot located on any such Project which shall be included within the common operation scheme described herein, and who, therefore shall enjoy non-exclusive easements of the use described herein, may delegate his right of enjoyment to members of his family who reside with him on his Lot and to his tenants or contract purchasers who reside on his Lot.

(d) Additional property development as provided in this Part E-6 shall be annexed in accordance with Article 25 -21.2 of the El Paso City Code.

E-7 ASSESSMENTS.

(a) Purpose of Assessments. Assessments levied by the Association as hereinafter provided, shall be used exclusively for the purpose of promoting the health, safety, welfare and recreation of the Members of the Association and, in particular, for the improvements and maintenance in a first class condition and a good state of repairs of the Project, services and facilities devoted to this purpose, and related to the use and enjoyment of the Common Areas and to the extent provided for herein, of the Lots in the Project or of additional Project(s) designated pursuant to E-6 hereof.

(b) Common Assessments.

(i) Common assessments or common expenses shall be made by the Board of Directors of the Association for each calendar year no more than thirty (30) days prior nor more than thirty (30) days subsequent, to the beginning of each such calendar year.

(ii) The total of each annual common assessment shall be in the amount of the estimated common expense for the year, including a reasonable allowance (no more than 10%) for contingencies and reserves.

(iii) If the annual common assessment is not made as required, payment in the amount required by the last prior annual common assessment shall be due upon each assessment payment date until changed by a new assessment.

(iv) The annual common assessment payable by each Owner shall be payable in either one lump sum before January 31 of each year or in twelve (12) equal monthly installments on the first day of each calendar month, or at such other date or times and in such other installments as the Association may determine. Installments more than thirty (30) days past due bear interest at the rate of ten (10%) percent per annum or at the maximum rate allowed on debts in the State of Texas.

(v) Each Owner's proportionate share of the annual common assessment shall be computed as follows:

(i) The total annual common assessment shall be multiplied by a fraction, the denominator of which shall be the total number of Lots in the Subdivision and the numerator of which shall be the number of Lots owned by the Owner.

For the purpose of this section, where an Owner buys two (2) adjoining Lots for the purpose of constructing one single-family dwelling, said ownership shall be deemed to be ownership of one Lot for assessment purposes; provided, however, that where two lots are purchased for the purpose of constructing one single-family dwelling, said Lots shall be assessed individually until construction of the dwelling has been completed.

(ii) Commencing January 1, 1978, the total common assessment shall be allocated to Lot Owners without regard to the unsold Lots then owned by Declarant. In computing an Owner's proportionate share of the annual common assessment, the denominator of the fraction in (1) shall be reduced by the number of unsold Lots, owned by Declarant. Upon the sale of a Lot by Declarant, said denominator shall be increased accordingly.

(iii) For purposes of inducing construction of dwellings upon said Lots, no assessment shall be assessed against a Lot for a period of six (6) months after closing of the initial sale of that Lot by Declarant to an Owner.

(c) Special Assessments. Special Assessments against particular owners and their respective Lots shall be made by the Board of Directors of the Association for the repair of damage or loss caused by the act or neglect of an Owner causing damage or loss to the Common Areas or to the property of other Owners, upon the date when the cost has been incurred by the Association for the corrective work or corrective action and written demand for payment thereof has been sent by mail to the particular Owner. The amount of the Special Assessment shall be due and payable by the Owner to the Association on the said date of demand, and shall bear interest from the expiration of the ten (10) days following demand at the rate of ten (10%) percent per annum or at the maximum rate allowable on debts in the State of Texas, whichever is lower.

(d) Taxes and Governmental Assessments. The assessment of taxes or special assessments by governmental bodies on the Common Areas which are or would become a lien on the Common Area or any part thereof, shall be paid by the Association as another item of the common expenses. The Association shall assess each Owner on the basis and as part of the common assessment.

(e) Commingling of Assets. Except where otherwise expressly provided herein, all sums collected by the Association from assessments may be commingled in a single fund, and without the necessity of a specific accounting for each element of common expense for which assessment has been made.

(f) Late Charges. The Association shall also be entitled to collect a late charge on such amounts and upon such conditions as the Board of Directors may from time to time determine.

(g) Vendor's Lien. By acceptance of a Deed from Declarant, each Owner (and the subsequent successors and grantees) assumes and agrees to pay all such assessments, including interest and reasonable collection costs (including attorney's fees), in accordance with the terms and provisions of this Declaration. The lien so provided shall constitute a lien on such Lot prior to all other liens except only (i) a valid tax lien on the Lot in favor of any assessing agency in special districts, and (ii) all sums unpaid on the first purchase money lien of record.

The liens so provided may be enforced by sale of the Lot by the Association, its attorneys or other person authorized to make the sale after failure of the Owner to pay such assessments in accordance with its terms. The Association shall have the power to bid in the Lot at foreclosure sale and to hold, lease, mortgage and convey the same. Suit to recover a money judgments for or waiving the liens securing the same.

The assessments against all Owners shall be set forth upon a roll of the Lots which shall be available in the office of the Association for inspection at all reasonable times by Owners or their duly authorized representatives. Such rolls shall indicate for each Lot the name and address of the Owner or Owners, the assessments for all purposes and the amounts of all assessments paid or unpaid. However, any such Grantee shall be entitled to a statement from the professional manager or the Board of Directors of the Association, setting forth the amount of the unpaid assessments against the Grantor due the Association and such Grantee shall not be liable for nor shall the Lot conveyed be subject to a lien for, any unpaid Assessments made by the Association against the Grantor in excess of the amount therein set forth. Notwithstanding the foregoing, a purchaser of a Lot in any judicial or trustee sale shall be liable only for assessments that come due after such sale and for that portion of assessments already due pro-rated to the periods after the date of such sale.

Amendments to this Part E shall only be effective upon written consent of the Owners and their first mortgagees, if any, of 67% of the Lots, whether such amendment is attempted by way of modification of the Association Articles of Incorporation or By-Laws.

(k) No Exemptions. No owner may exempt himself from liability for assessments duly levied by the Association, nor release the Lot owned by him from the liens and charges hereof, by waiver of the use and enjoyment of the Common Areas and the facilities thereon or on additional Project(s) as provided in Part E. or by abandonment of his Lot.

A balanced budget is essential for the financial health of the association and to prevent unexpected cost overruns which cut into the reserves of the Association. For this reason, the Association will endeavor to abide by a Balanced Budget each year. This means the Association cannot spend in regular operating expenses more than it collects in dues each year.

(i) **Unforeseen Expenses** - The Annual budget will include a Miscellaneous line item for unforeseen expenses not to exceed more than \$5,000 or 2% of the budget per year, whichever is greater. The Board will have the discretion to spend this money as it sees fit to address items not expected at the annual meeting. This money will be taken from the reserves of the association. If more than this amount is required to be spent, the Board must wait until the next Annual meeting or a Special Member meeting is called to get member approval.

(ii) **Emergency Expenses** – In the event of an “emergency” that cannot wait, the President of the Board, or another Officer(s) if he/she is absent, may incur expenses to mitigate the situation. The nature of the expense, rationale, and decision-making process must be documented and sent to all members within 72 hours of approving this expense.

(d) One-Time or Special Purpose Capital Expenditures Require Member Approval.

From time to time the Board may determine that certain Capital Expenditures of a “one-time” or special purpose are necessary and recommended for the general maintenance and improvement of the Association. The main goal is to create a lasting benefit with a clear cost vs. benefit analysis. These are generally items that cost \$10,000 or more and/or that affect the nature or character of the Association such as the Common Areas, Streets, Gate, Landscaping, Maintenance, or Security in a significant way.

The Board shall present justification for one-time or special-purpose capital expenditures to the Owners at a special meeting of the membership. This shall require approval of 67% of the members present or represented by proxy at the special meeting.

PART F:

INTERPRETATION

F-1 The provisions of this Declaration shall be subject to and interpreted in accordance with Article 2 5 -21.2 of the El Paso City Code.

F-2 In addition to the provisions of Article 25 -21.2 of the El Paso City Code, the provisions of this Declaration shall be liberally construed to effectuate its purposes of creating a uniform plan for the

development and operation of the Project. Failure to enforce any provisions hereof shall not constitute a waiver of the right to enforce said provisions or any other provision hereof.

F-3 Any owner, not at the time in default hereunder, or any member of the Association who shall be deemed to be acting on behalf of any of the Owners, shall be entitled to bring an action for damages against any defaulting Owner and, in addition, may enjoin any violation of this Declaration or a rule or regulation duly adopted by the Association hereunder or to prosecute any other appropriate legal or equitable action that may be necessary under the existing facts. Any judgment rendered in such action or proceeding shall include a sum for attorney's fees in such amount as the Court may adjudge reasonable, in favor of the prevailing party.

F-4 It is expressly agreed that a breach of any of the provisions, covenants, restrictions or limitations or the recordation of any lien or assessment hereunder or the pursuit of any remedy hereunder shall not defeat or render invalid the first lien of any purchase money mortgage made by an Owner in good faith and for value upon the interest of any Owner of a Lot, but all such liens and assessments are hereby declared to be subject and subordinate to each such mortgage. However, each and all of said provisions, conditions, covenants and restrictions except assessment liens theretofore recorded shall be binding upon and effective against any Owner whose title to a Lot is thereafter acquired through foreclosure or trustee sale or continues under such mortgage.

F-5 All agreements and determinations lawfully made by the Association in accordance with the voting percentage established in this Declaration or in the By-Laws, shall be deemed to be binding on all Owners of Lots, their heirs, successors and assigns.

F-6 The provisions of this Declaration shall be deemed independent and severable, and the invalidity or partial invalidity or unenforceability of any one provision or portion hereof shall not affect the validity or enforceability of any other provisions hereof.

PART G:

CONDEMNATION

G-1 COMMON AREAS. In the event of a taking from condemnation or by eminent domain, of part or all of the Common Areas, the award made for such taking shall be payable to the Association which shall represent the Owners' named in any condemnation proceedings. Said award shall be utilized to the extent possible for the repair, restoration, replacement and/or improvement of the remaining Common Areas. Any funds not so utilized shall be applied in payment of common expenses otherwise assessable to the members of the Association.

G-2 LOT. In the event of the taking in condemnation, or by eminent domain of all or part of a Lot, the award made for such taking shall be payable to the Owner and mortgagee, if any, of the Lot, as their interests may appear.

PART H:

H-1 The covenants, conditions and restrictions contained herein shall run with the land and be binding upon all parties and persons claiming under them for so long as the Sierra Crest Subdivision exists as a planned unit development under Article 25 -21.2 of the El Paso City Code.

H-2 Except as otherwise provided by law or as specifically provided in this Declaration, this Declaration shall not be revoked, nor any other provisions herein amended, unless the Owners of 67% of the Lots agree to such revocation or amendment by an instrument or instruments duly recorded in the office of the County Clerk of El Paso County, State of Texas. It is provided, however, that no such instrument shall be recorded nor shall any such revocation or amendment become effective until (i) the Association gives written notice to contain an exact description of any proposed action; and (ii) the lapse of thirty (30) days following the giving of such notice. If during said 30 days period, 50% or more of said registered mortgage holders file written objections with the Association, at its address to be specified in said notice, to such action, it shall not be affected.

H-3 The City of El Paso's interests in these covenants may be sooner released, without the consent of any third person benefitted thereby, by the City of El Paso, after recommendation of its City Plan Commission, upon recording of an instrument of record to that effect in the Deed Records of El Paso County, Texas.
